A Designer’s Note

For the Miss Fabiola 2026/2027 Peloponnese Collection, inspiration was drawn from the unique beauty of Monemvasia and the landscapes of southern Greece. Surrounded by the blue waters of the Mediterranean Sea, warm stone architecture, and colorful coastal gardens, this remarkable town became a rich source of creative inspiration.

The collection reflects the colors and atmosphere of the region. Soft shades of sandstone cliffs blend with the vibrant tones of bougainvillea, oleander, wild flowers, Mediterranean herbs, and flowering vines climbing across historic walls.

Created using our most refined and trusted constructions, the collection combines exceptional comfort with sophisticated design.
